### Creative Zen Mozaic Media Player

With its checkered, multihued design, Creative Zen's Mozaic looks pretty slick. Regrettably, this flash-based media player (which is available in black, gray, or pink) is stronger on style than on substance. I found its buttons unintuitive and its menus needlessly complicated. I tested a 2GB Mozaic (\$60); Creative also offers 4GB, 8GB, and ...full story
